U – UNDERSTANDING

Jesus said to them, "This is what I told you while I was still with you: everything must be fulfilled that is written about me in the Law of Moses, the Prophets and the Psalms". Then he opened their minds so they could understand the Scriptures. - John 24:44-45

Jesus opened these people's minds to understand the Scriptures. The Holy Spirit does this in our lives today when we study the Bible. Have you ever wondered how to understand a difficult Bible passage? Besides reading surrounding passages, asking other people, and consulting reference works, pray that the Holy Spirit will open your mind to understand, giving you the needed insight to put God's Word into action in your life.

FROM TEEN CHALLENGE

Teen Challenge will participate in our worship service this Sunday. Below is a testimony of a graduate: "I grew up in a good home knowing right from wrong. At 12 years old I was introduced to alcohol and marijuana. By age 14 it was an everyday occurrence and by 15 I was doing anything I could to get my hands on them. After my second overdose on Xanax and methadone, which left me unconscious for two days, God's grace pulled me out. At Teen Challenge I have learned that there is more to life than living in sin. Now I'm ready to be led by the Lord every day for the rest of my life.

FROM FERRYSBURG COMMUNITY CHURCH

Ferrysburg Community Church, is hosting a concert featuring "The Down East Boys" on Sunday, June 9, at 6 pm. A free will offering will be taken at the concert.

READING THROUGH THE BIBLE

In the book of Proverbs Solomon "spoke three thousand proverbs" (I Kings 4:32), many of which are collected in this book. These wise sayings describe patterns that operate in everyday life, offering us advice on how to conduct ourselves in various situations. Solomon's fundamental instruction is to fear and trust the Lord. As you read this book, remember that God has something to say about every aspect of your life; always seek his wisdom.
